

Health & Balance Through the Eyes of a Medical Intuitive: Medical Intuition - Uses, Styles and Benefits With Susan Rueppel

Have you ever asked the questions:

Why do we become ill? What does illness mean? How can I promote healing and wellness?
How can I prevent illness?

Perhaps you've pursued traditional medicine for a solution to health challenges and had your symptoms treated, but still wondered what caused you to become ill in the first place.

"Susan helped to bring clarification and wisdom to a puzzling episode in my life. My sense of a past connection with a new friend was validated and precisely described. This illuminated reasons for our coming together once again. I look forward to more exploration with Susan."

~ Melynda Ruckels, RN, Ph.D., Reiki Master

By taking this program you will:

- Learn to recognize and expand your own intuition
- Discover practical and easy-to-use techniques for developing your intuitive health wisdom
- Experience live Medical Intuitive readings of a few select participants

"Susan is truly a gifted intuitive. Having worked with her over the years, she has helped me through some very difficult and challenging times. Her amazing insights and wisdom have supported me, yet allowed the opportunity for my own self-discovery. Anyone who chooses to work with Susan will be blessed. I am grateful to have her be a part of my consulting/counseling team."

~ Lauren Buchanan, Entrepreneur, Sacramento, CA

Imagine understanding what makes you ill - and using that information to help you heal existing illness and even prevent illness from occurring!

"What a pleasure to meet you today. You seem like a great leader in your field with a calm, knowledgeable personality, superb public speaking skills, and an angelic concern for ethics."

~ John B. Therapeutic Touch Practitioner, CA

In these 3 thought-provoking sessions you will learn how tapping into intuition can help you reduce stress, and create balance and wellness.

We will meet on the conference calls for 3 consecutive Fridays beginning April 4 @ 2PM Eastern. The cost for all 3 calls is only \$45. You can listen to the introductory call and register by visiting www.energeticwisdom.com

Week One Focus: Why we become ill, What is Medical Intuition?, Styles of Medical Intuition

Week Two Focus: Modes of Intuition, Uses of Intuition, Ethics in intuition

Week Three Focus: Accessing and developing your own intuitive health wisdom

In-Joy and With Gratitude,
Susan Rueppel, Ph.D. & Cyndi Silva

P.S. The first 9 people to register for these calls will receive a sample medical intuitive reading on the call.
