The Parable of the Two Sons

28"What do you think? There was a man who had two sons. He went to the first and said, 'Son, go and work today in the vineyard.'

29" 'I will not,' he answered, but later he changed his mind and went.

30"Then the father went to the other son and said the same thing. He answered, 'I will, sir,' but he did not go.

31"Which of the two did what his father wanted?" "The first," they answered.

As part of our preparations to go back to Phnom Penh on July 13th, the Brice family are needing to find a home for their 2 gorgeous Spoodles. It would be for a minimum of 12 months or a max. of ...permanently! They are both about 11 years old with very happy, loving personalities, but not so good around children and need lots of love and exercise. If you think you may be suitable for this kind of adoption please contact Peter or Robyn for more details.
