

Weekly Prayer Focus

Monday:

Pray that family ties might be strengthened during the holiday break and for opportunities for rest and recreation and enjoying one another. Pray for safe travel for those who will be traveling.

Tuesday:

Give thanks to God for those in our community who care for the sick and pray they will feel supported and encouraged in their work. Pray also for those recovering from surgery for a full restoration of their health.

Wednesday:

Give thanks to God for the love and care of family and friends and for every kindness shown. Help us, Lord, to remain fully engaged with your world and show us ways we can be a voice for justice and reconciliation both in the places where we live and work and beyond.

Thursday:

In our willingness to follow Jesus, to walk obediently in the light he has given, we are assured of his guidance day by day. In what areas do you need to seek God's guidance today? Ask to be governed by love and for wisdom and discernment in your decision-making.

Friday:

Thank God for our loving and vibrant community, for the richness and diversity of gifts. Pray for continuing creativity and inspiration for all involved in the many areas of ministry and mission.

Saturday:

Take some time to reflect upon and to give thanks for the myriad of ways God cares for you and sustains your life. Ask Him to help you to be a good steward of all he has entrusted to you and to show you wise and creative ways to be generous with what he has given. Pray we will be generous and responsible in our giving to God's work at TLC.

Sunday:

Give thanks for all involved today for their willingness to serve, to lead, to teach, to pray and listen, to make music, to mentor and befriend. Thank God for the fellowship we enjoy as we gather together to worship and celebrate His goodness to us in community.

Truth & Liberation Concern COMMUNITY NEWSLETTER

September 21st, 2008

Dear Vascoe,

Summer is almost with us here in Curly flat and the season of the asparagus is all but finished, never have I enjoyed such delicious asparagus curls as the ones we harvested this spring. How remarkable and odd that this delicate shoot, this point of emergence into the rough, wild world is so tender and full of goodness and how exploited and wounded it is for these beautiful qualities.

How interesting Vascoe, that growth meets so much resistance, attracts such brutality, its creations are so constantly plundered - and yet persists and is tender - troubled and tender! Growth is troubled and tender. Michael Leunig *Curly Pajama Letters*.
