

## Weekly Prayer Focus

### Monday

Continue to pray for the young people you know currently sitting their VCE exams.

### Tuesday

Give thanks for the Brink. As we saw during the community renewal presentation at TLC a couple of weeks ago, the Brink plays a crucial role in reaching out to people in Bayswater North. Pray for its leaders and participants.

### Wednesday

Give thanks for our pastors, Lance, Vic and Matt - for their vision, commitment and openness to God – and pray for them and their families – for their encouragement and sustaining.

### Thursday

Pray for the next US administration, that the values of God's kingdom will find a place among all the pressures it will face. Pray for safety for Barack Obama and his family.

### Friday

Think of someone you know who is struggling with ill health or grief and pray they will know the sustenance, comfort and support of our ever-present God.

### Saturday

Local government elections are happening over the next couple of weeks. Ask God how best you can exercise your democratic right – via your vote and your involvement in local life.

### Sunday

As we remember Loris Lyons during our service this morning, lift up Phil, Prue, Brooke and Beaux, and their families, to our God of comfort and love

And it was so. God saw everything that he had made, and indeed, it was very good. And there was evening and there was morning, the sixth day
