

## Wave 3 Web Site Editor Manual for Text Changes

1.) Go to [www.wave3websites.com](http://www.wave3websites.com)

2.) Enter correct site and password

3.) After entering, click edit site as above

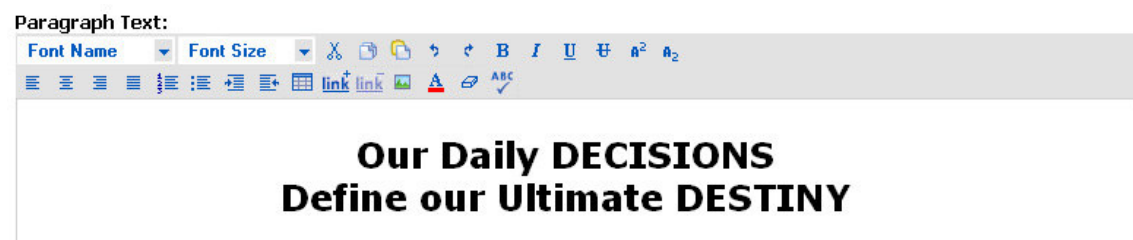

4.) Go to the certain area/page you wish to change the type and click edit page as above

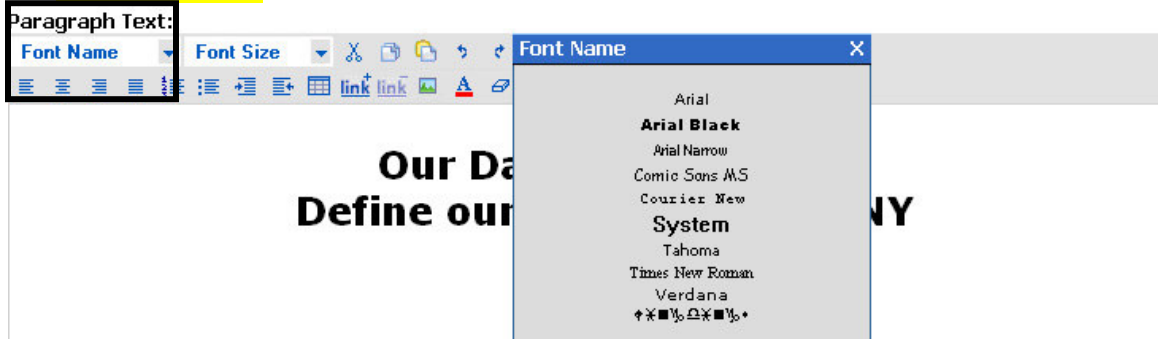

**Our Daily DECISIONS**  
**Define our Ultimate DESTINY**

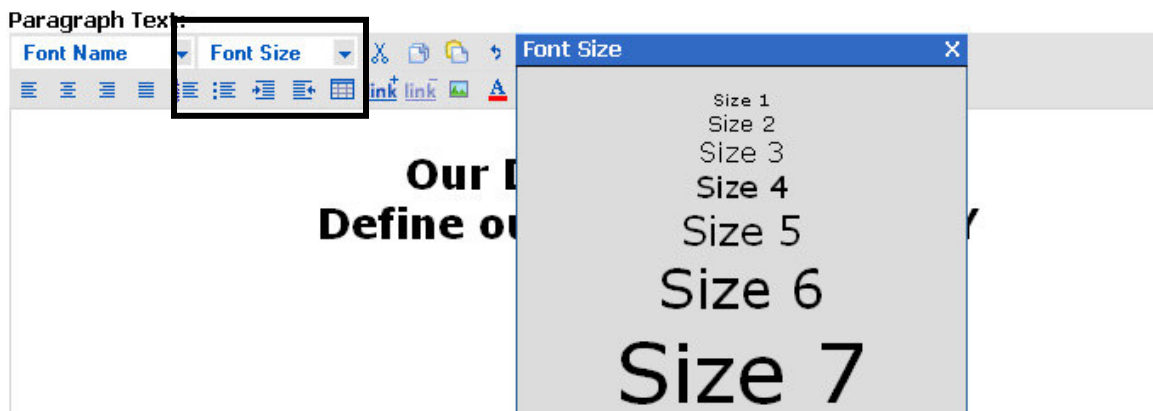

5.) Click on edit, for that certain section of the page as above.

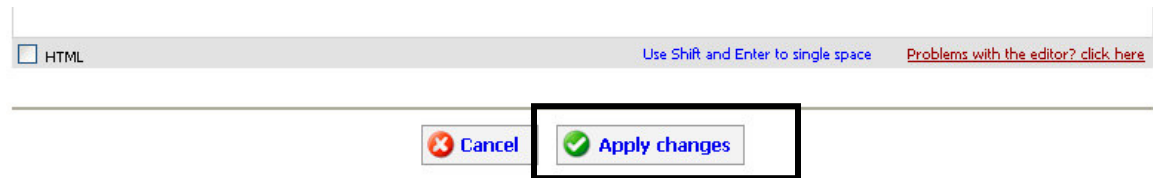

6.) In the paragraph text box, highlight the type you want to change and type in the new text or delete the highlighted text as if you were in any text editing program. Follow the next two steps only if you wish to change the style and size of the font.

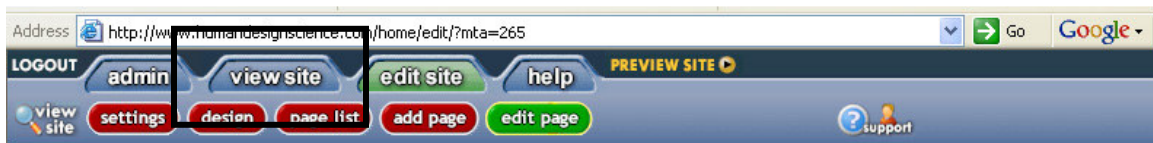

7.) Click on the down arrow, in the font types on the tool bar to select type style.

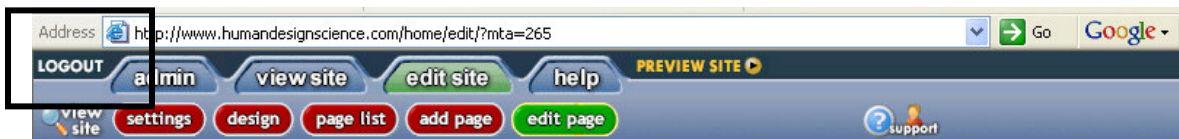

8.) Click on the down arrow, in the font size on the tool bar to select type size.

9.) Scroll down to the bottom of the page and select Apply Changes

10.) To see your changes click on the view site button at the top of the page.

11.) When you have completed the changes to the site click on the LOGOUT button at the top of the page.
