April 16, 2010

To whom it may concern,

The youth of our congregation are attending a special religious event from April 16-18, 2010. This will require _____ to miss school on Friday, April 16th. Please excuse him/her from classes on this day so that they may attend. They are aware that they are expected to make up any work missed and to turn in all assignments due that day on or before the preceding day.

If you have any questions or concerns please feel free to contact me either at the church office at the above number or by email: david@arlingtonfamily.org.

Thank you for allowing this student to participate in a spiritually enriching activity.
