The Faith-Path is the path we are on in our pursuit to know God, glorify Him and grow to full devotion. Coming to faith is not the finish line, but rather the starting point on our journey of pursuing God for the rest of our lives. We take this journey in community with others and pursue God together as part of our Small Group or Life Group. Faith-Path studies are offered to help Small Groups and individuals grow in knowledge, in God's purposes for life, and authentic living.

Arlington Church of Christ's Faith-Path curriculum provides a helpful road map for Small and Life Groups to follow, with a growing choice of options from which to choose.

Prayer, Does It Make Any Difference?

Author: Phillip Yancey

Synopsis: In this six-session video curriculum, award-winning author Philip Yancey probes the very heartbeat—the most fundamental, challenging, perplexing, and deeply rewarding aspect—of our relationship with God: prayer. What is prayer? How does it work? And more importantly, does it work?

Description: In theory, prayer is the essential human act, a priceless point of contact between us and the God of the universe. In practice, prayer is often frustrating, confusing, and fraught with mystery. Prayer: Does It Make Any Difference? is an exploration of the mysterious intersection where God and humans meet and relate.

Yancey explores such questions as: •Is God listening? •Why should God care about me? •If God knows everything, what's the point of prayer? •Why do answers to prayer seem so inconsistent and capricious? •Why does God seem sometimes close and sometimes far away? •How can I make prayer more satisfying?
